Celebrities from around the world came together in Abu Dhabi to celebrate the finale of the Formula One (F1) World Championship at the exclusive Amber Lounge at Hilton Abu Dhabi Hotel last week.

The star-studded guest list included newly crowned F1 champion Jenson Button, who took a turn on the decks with DJ Jack E while his model girlfriend Jessica and his father looked on.

Other glamorous party-goers included Lewis Hamilton and his girlfriend Nicole Scherzinger from the Pussycat Dolls; Nico Rosberg; and Hollywood actors Neve Campbell, Jeremy Irons and Aerosmith lead singer Steven Tyler.

Amber Lounge owner Sonia Irvine, sister of ex-Ferrari driver Eddie Irvine said: "We set out to make Amber Lounge Abu Dhabi our best event yet and I think we achieved our aim".

Abu Dhabi joined Monaco, Barcelona and Singapore on the list of exclusive events that Amber Lounge has hosted during the 2009 Grand Prix season.
